

E. RETURN TO LEARNING

The superintendent or designee shall develop a plan that meets all the requirements of the State Board of Education for addressing the needs of students in grades Pre-K through 12 who suffer concussions. The superintendent or designee shall also arrange for information and professional development to be provided annually to all teachers and other school personnel on return-to-learn issues and other concerns related to concussion and brain injuries. Parents and students must be offered the opportunity annually to provide information related to any head injury or concussion the student may have incurred during the past year on the health history and emergency medical information update form.

F. EMERGENCY ACTION PLANS

Each principal or designee shall develop a venue-specific emergency action plan to respond to serious medical injuries and acute medical conditions in which the condition of the injured student may deteriorate rapidly. All such plans must include a delineation of roles, methods of communication, available emergency equipment, and a plan for emergency transport. The plans must be (1) in writing, (2) reviewed by an athletic trainer who is licensed in North Carolina, (3) ~~approved by the principal~~ if developed by a designee, (4) distributed, posted, reviewed, and rehearsed in accordance with G.S. 115C-
